

February 2019

Hello AP Students and Parents,

The attached booklet has important information regarding your 2018-2019 AP exams (i.e. test dates, practice tests, fees, etc.) This information has been sent out early so that you may take advantage of all that is available. .

AP exam fees for 2018-2019 school year:

- A. This year AP exam fees will be \$5 per test for every student. This is due to a grant the district office received and allocated to AP testing. This is a year by year grant and cannot be guaranteed for next year.
- B. Fees must be paid online at https://webstores.activenetwork.com/school-software/up_asb_online_store/. Each exam will have a \$0.30 convenience fee added to the total price, bringing each exam cost to \$5.30.
- C. The webstore will be open for payment from Friday February 8th through Friday March 15th. No exceptions will be made to pay late. Please make sure you take advantage of the low cost and the 24/7 availability of the webstore to pay for your exams by March 15th.
- D. If there is an exam that you want to take that is not listed on the webstore please come let me know.
- E. If you pay for an exam and then decide not take it you will owe the school an additional \$10 to cover the \$15 unused exam fee we are charged.

Exams that are not paid in full by the March 15th deadline WILL NOT be ordered. It is your responsibility to pay for the exam by the date noted. Please inform your parents of the dates and cost for your exams.

Exams are given in two time slots: 8am-noon or noon-4pm. The schedule is located on the back of the brochure provided to you. These dates are set by Collegeboard and cannot be altered. Please make note of the dates so as to not schedule appointments, etc. that will conflict.
